| 6002-CP-220      | PCS2                                  |

The product(s) described above and the plant(s) where it is produced are subject to the jurisdiction of the FDA under the Federal Food, Drug and Cosmetic Act.

It is certified that the above listed product(s) may be marketed in, and legally exported from, the United States of America at this time. The manufacturing plant(s) in which the product(s) is produced is subject to periodic inspections. The last such inspection showed that the plant(s), at that time, appeared to be in substantial compliance with current good manufacturing practice requirements for the product(s) listed above.
